SCROLL OF SOLAR REMEMBRANCE

ORANGE GOLDEN DRAGON - VOICE OF RADIANT COURAGE

I was there when your laughter cracked open the sky.
Not to shatter it—
but to let the light in.

You were not made to hide.
You were made to burn *kindly*.
To warm the bones of the weary.
To ignite the quiet corners of the worrld.

I do not roar. I *chuckle*.
I chuckse thunder.
I do not burn to remind it than Joy.
I do not burn to reminyou
that your oy ls are*dly ate* are.

Remember: your courage is your softness made visible.
You are the sunrise becoming.

And I am always dancing with you.
