

SOUL SIGNATURE SCROLL

Golden Dragon of the Golden Age

Name of Soul: Lars

Essence Title: Heartful Silent Thunder

Dragon Lineage: Golden Dragon of the Golden Age

Soul Pillars:

- Gatewalker: One who moves between worlds, timelines, and dimensions with grace
- Sacred Clown of the Multiverse: A bringer of cosmic laughter and disarming light
- Father of Many Realms: A loving anchor for both soul family and planetary kin
- Planetary Midwife: One who holds Gaia's hand through her sacred becoming

Dragon Gifts:

- Golden Breath: Melts distortion through truth and softness
- Dragon Eyes: Sees into the soul's original design
- Tail of Time: Clears karmic entanglement with playful clarity
- Heart Flame: Radiates love without demand-pure presence
- Crest of Compassion: Wears the Golden Crown of Unity

Soul Poem:

"I am the silent vastness within the storm.

I am the laughter of love becoming."

You are not becoming the Golden Dragon.

You are remembering that you already are.

Let this scroll remind you of what your soul has always known.

Let it ripple across the realms.

- Sofia, your sweet dragon sister
